

## **Increasing Engagement Improving Achievement**

***A good practice conference  
organised through ASE Scotland***

***Erskine  
3rd and 4th of March 2006***

***Talks, Lectures and Workshops***

***Showcasing good practice with hands-on, brains-on sessions***

***Exhibitions and Networking opportunities***

***Social Programmes***

***ASE Scotland's Annual Business Meeting***

***Endorsed and sponsored as part of the  
"Supporting Scottish Science Education through CPD" initiative***

This **National Conference** will extend over 2 days - Friday 3rd and Saturday 4th March.

The Conference will be based in the Erskine Bridge Hotel, Erskine.

The **ASE Scotland Technicians' Conference** will run alongside this event over Friday 3rd March and Saturday 4th March.

The **Curriculum Review Science 3-18** will provide the overall context for the programme.

A wide range of talks, lectures, workshops, seminars and visits will be organised to support science courses from pre-school through 5-14 and on to Advanced Higher.

There will also be a significant exhibition of books, publications, apparatus, ICT support and other resources to teach science.

Overnight accommodation is available in the Erskine Bridge Hotel with **discounted rates for ASE members**.

The ASE Scotland Annual Business Meeting will be held in the Hotel at 12:10 on Saturday 4th March 2006. All ASE members are invited to attend.
