

Let's Talk

PLANTS MATTER

Think of a lovely place you have been which is full of plants - imagine you are in that place. Write down in the box what makes it lovely.

Your teacher is going to read out some words all of which have something to do with plants. When your teacher says a word, you write down the first word which comes into your mind in the box below:

1	5	9
2	6	10
3	7	11
4	8	12

- ⊙ Your teacher will now put the class into groups of about 5 people.
- ⊙ As a group look at all your words and see if anyone in the group wrote down the same words.
- ⊙ Pick the 5 most popular words for your group and use them to make a short poem or a song or a sentence about why you feel plants matter.

Take 3 places - why plants matter

What matters most?

In each picture there are a number of statements. You have to give each statement an 'importance mark' out of 5 but you only have 35 points to give away. Write down your points in the table.
